Supporting CHS students & staff!

What we do... How we do it...

What we do...

Concord High School PTSO provides financial support directed to the needs of the school community. The best way we do this is by coordinating and communicating CHS community needs and encouraging positive school/community relations, parental involvement and volunteer support to enhance the educational environment. All of this makes CHS a great experiential education for one and all.

We **know** that you want the best for your children and being a PTSO member can help you achieve that! Children learn more and have better lives when parents, school staff, students and the community work together.

Our PTSO **provides** information and resources that strengthen these relationships.

PTSO information can be found in the About Us menu on the schools website.

What we do...

The PTSO contributions are successful through the payment of dues but more importantly through the participation of it's members (parents, teachers, staff, community). Following are some of the ways we have been able to support the students and staff.

Accomplishments last school year:

- Provided busses for college trips and tours.
- Photographer for Graduation to capture that coveted diploma shot.
- Staff appreciation breakfast.
- Ice Cream Social events for students who made honor roll.
- Picture poster project—framed pictures of students accomplishments .

Accomplishments from previous years:

- Lynn Lyons Anxiety seminar
- Contributed towards CHS sound system
- Social media/bullying assembly

How we do it...

We meet the **second Tuesday of every month** during the school year. Everyone is welcome to join and participate. It is a great way to learn about the school and meet other parents that have experienced what you are or may be experiencing.

Typical meeting includes:

- School happenings from CHS Principal
- Treasurer & Secretary Reports
- Event/activity updates & opportunities

Our **goal** is to look for different ways to support the CHS community. In order to ensure the success of potential new events, we must have funding and volunteer support...which is where you are needed.

2017-18 Fundraising

Dues

***Due to our loss of a major revenue source last year, we are looking to the parents to support us with paying a small \$10 per family dues to the PTSO so that we can continue to support the events that have become part of the students experience**
