

# Job Corps

- Offers hands-on career training and education at no cost to students.
- Serves low-income young people ages 16 through 24.
- Has 126 locations across the country.
- Helps change lives!

**Success Lasts  
A Lifetime!**

## **TRAIN** for a career.

Job Corps staff works with each student to create individualized personal and career development plans that put and keep students on the track to success. The most successful students stay in the program between 1 and 2 years.

## **LIVE** on center and make new friends.

Most students live on campus in dormitories. While enrolled in the program, students receive meals, basic medical care, and a living allowance.

## **LEARN** the necessary academic and real-world skills to be successful.

Job Corps offers hands-on training in more than 100 career technical training areas, including Automotive Maintenance and Light Repair, Carpentry, Office Administration, and Welding. All career technical training areas are aligned with industry credentials and are designed to meet the requirements of today's careers. Job Corps also offers Advanced Training for students who want to take their education to the next level.

## **CONNECT** with resources before and after graduation.

Job Corps graduates have the support they need to start a successful career, go to community college, or join the military. Counselors assist students with their resumes and job search, and connect them with housing and transportation options and child care services.
