The former Concord High PTSO wanted to let you know that they have gifted funds that will be paying for a photographer to take pictures of the entire Graduation day, from rehearsal to recession and everything else in between, including the highly coveted diploma shot. The photographer, Art Swenson, will be uploading the pictures to a password protected area of his website, www.artswensonphotography.com, within 24 hours of the event so that you can peruse all the photos and purchase any that you'd like. The password to the secured area of his website will be CHS2019, feel free to share it with your friends and any out-of-town relatives who may not be able to make it to the event itself. Anyone can purchase these photos and have them shipped directly to their home. Easy and convenient. As a courtesy, he will waive any shipping fee for the first week for any photos ordered during this time frame. Congratulations again and enjoy these crazy, hectic times for they go by too fast.
